DAVRAZ SKI CENTER

DAVRAZ SKI CENTER

Davraz Skiing Center is one of the important winter sports and winter tourism destination of Turkey.

Mount Davraz, 2635 m, is located on between Lake Eğirdir and Lake Kovada in the Lakes Region of the Mediterranean Region. It is very well-known skiing center with its modern and developed tracks, easy to reach and many other features.

Geographical features of Mount Davraz which ensure skiing for 4 months according to seasonal conditions, give opportunity for other nature sports.

ACCOMMODATION

There are 3 hotels, mountain cafes and 4 football fields in the skiing center. Lodgings are also located on Çobanisa Village which is 8 kms away from skiing center.

The hotels of Eğirdir Town and Isparta City Center can be chosen for accommodation. Skiing trainers, medical care and skiing equipment renting rooms are available during skiing season.

ALTERNATIVE TOURISM AND SPORTS

Touristic aimed sport activities such as football, mountaineering, mountain biking, trekking, paragliding, jeep safari and camping can be performed on the mountain in summer season. Davraz which has convenient climate and geographical features, is preferred as camping center by professional and amateur football teams of Turkey. Mount Davraz has suitable areas for single or tandem flights of paragliding.

Davraz Ski Center also attracts nature-loving visitors in spring and summer with its rose and lavender gardens which were established in recent years.

HOW TO REACH?

Davraz Skiing Center is 50 kms away from Isparta Airport and 125 kms away from Antalya Airport. Being close to Isparta City Center and its smooth and comfortable roads make it easy to reach.
